HALLOWEEN WEEK

REMEMBERANCE DAY

Place Of Deadly Ground

In this place of deadly ground, Muddy bloody men can be found. They can't turn back, No they can't get off that track. No one told them about these places, No one told them about these empty dead faces. These were men they fought beside just yesterday, Though it doesn't matter for now there they must stay. A deathly stench, That fills the trench, In this place of deadly ground. Muddy, bloody men are war bound. Dismal hours among the pests, With what they have they make the best. No one tells us about these waste lands, Wheter fought in mud or desert sands. No one tells us about the stench, That rotten foul stench within the trench. They tell us about loss and victory, Their own little peice of history. But with each loss there is etched, A nightmare entangled with barbed wire mesh. No one can explain, All the toils and the pain. In this place of deadly ground, Friends, family, soldires, and heroes can be found.
